-Believe me, I had many women.  
Robot Marcy, hands down!

-But, isn't there a surround to sex?  
The woman's personality? Aromas?  
Sweet habits...or others? Quirks?  
Idiosyncrasies? Even weird moods.

-They used to say that.

-Back in the old old days?

-Horseshit then as now!  
You can make the beast with  
two backs better with Marcy!  
End of story.

-Uh...how about "Jeanette" Model?

-Have medical exam first.
